Scott Rodgers

Acting Head Coach First Year

Scott Rodgers takes over the coaching reigns of the women's soccer team this season after serving as an assistant coach on the men's team the past three seasons.

Rodgers played in 56 games with 49 starts during his three-year career at Wright State. During that time, the Raiders posted a 35-18-5 record and 21 shutouts with Rodgers on defense. He earned a bachelor's degree in psychology with a minor in business from WSU in 1993.

A graduate of Centerville High School, Rodgers was named first-team All-Midwest, All-Ohio and All-Western Ohio League as a senior in high school. He was also selected as the South Dayton and WOL Player of the Year as a senior as the Elks finished with a record of 14-3-5.

Rodgers, who also serves as an Olympic Development coach and director for Soccer Centerville, holds a United States Soccer Federation coaching license and resides in Dayton.

Kevin Arcuri

Assistant Coach First Year

Kevin Arcuri is new to the Wright State staff this season after spending several seasons coaching on the club level.

Arcuri coaches the Team Dayton Soccer Club and works Ohio South camps along with various other camps during the summer. He was also the former head coach of both the men's and women's club soccer teams at the University of Dayton.

A teacher of severely behavioral handicapped children for St. Joseph's Childrens Treatment Center and Dayton Public Schools, Arcuri is a Cleveland native who was a two-year All-American at Kenston High School.

Arcuri, who holds a United States Soccer Federation coaching license, played collegiately at UD and graduated there with a degree in criminal justice and a minor in sociology in 1995.

Kathy Shelton

Assistant Coach First Year

Kathy Shelton is a newcomer to the Raider coaching staff this season, but is definitely not new to the ranks as she has been coaching in the Cincinnati area the past six years.

Since 1994, Shelton has been the Assistant Director of Soccer Education and Coaching Development for the Southeast Cincinnati Cardinal Soccer Club. Her duties there include planning of training sessions, player and team evaluations, scouting and traveling with teams and coaching staff. The under-20 girls team was this year's national champions while the under-17 girls team was this year's national runner-up.

Shelton has also served as a clinician and staff trainer for the Mia Hamm Soccer Clinic, the Ohio South Olympic Development Program, the Roc Soc Soccer Camp and the Post to Post Soccer Camp.

Shelton played collegiate soccer for the University of Cincinnati from 1991 to 1994, serving as a three-year co-captain. She was selected as the team's Rookie of the Year in 1991 and during her senior year in 1994, she was named team MVP as the Bearcats won the Great Midwest Conference title and qualified for the NCAA Tournament. She was also named to the conference's All-Academic Team in 1994.

Shelton also assisted with summer camps while at Cincinnati, helping with training sessions, staff administration, camp recruiting and player evaluation.

A Cincinnati native, Shelton graduated with a bachelor's degree in painting and art education from UC in 1996.

John Mers

Assistant Coach First Year

John Mers returns to Wright State this season as an assistant coach and will work with the goalkeepers on both the men's and women's squads.

Mers played for the Raiders from 1991 to 1994 and is ranked in many of WSU's career statistics for goalkeepers, including minutes played (second with 4906), saves (fifth at 217), shutouts (third with 14) and goals against average (fifth at 1.25). His 0.86 goals against average in 1992 is fourth on the all-time Raider list and was fourth in the Great Lakes Region that year.

A native of Westerville, Ohio, Mers continues to play on the professional level as a goalkeeper for the Cincinnati Silverbacks of the National Professional Soccer League.

Missy Daniels

2

5-6

Sophomore
Defender
Cincinnati, OH
Anderson H.S.

1996: Appeared in 11 games with six starts...recorded five shots on goal for the season...suffered a knee injury in mid-season, but was out only two games.

Prep: Participated in soccer all four years and in track three years...was team captain, MVP, All-Queen City Conference and All-Cincinnati as a senior...team finished 9-6-2 for third in the QCC...scholar-athlete all four years.

Personal: Born Melissa Sue Daniels on June 2, 1978...daughter of Arthur Daniels and Linda Albertz...has three sisters, Trisha, Tracy and Jen.

Favorite Pregame Snack: Candy

Favorite TV Show: Seinfeld

Favorite Movie: Ghost

Favorite Book: Of Mice and Men

Advice: "Never forget the littlest things in life."

The Midwestern Collegiate Conference enters into its 19th campaign poised to build upon a strong foundation of institutions with a tradition of broad-based programs, led by administrators and coaches who place a constant emphasis on academic integrity. The MCC continues to strive to maintain the goals and objectives necessary to achieve national prominence as a top-10 Division I athletics conference.

The MCC has established specific goals for upgrading the league's market and competitive positions, with an eye toward continually enhancing the student-athlete experience. The conference has a commitment to engage both its staff and member-institution administrators and students to serve on national-level committees.

The conference is an affiliation of eight institutions with similar athletics goals that provides stability and major-market exposure.

MCC markets, including five of the country's top-30 television areas, cover nearly nine million TV households and encompass roughly nine percent of the nation's television audience. The member institutions are generally located in major metropolitan areas and benefit from the business, cultural, educational and entertainment resources available to the university community.

The MCC is anchored in a solid tradition that began in 1979. Originally formed as a men's sports league, the conference added women's athletics in 1986-87. League members continue to advocate competitive ath-

letics as a valuable educational experience and as an important component in the process of higher education. Among the MCC's established operating principles are efforts to maintain integrity, gender equity, academic excellence and fiscal responsibility in the athletics enterprise.

Best known for its men's basketball success, the MCC offers a total of 18 different championship sports (nine for men and nine for women). The league enjoys NCAA automatic qualification or play-in access in baseball, men's basketball, women's basketball, men's soccer, women's soccer, softball and volleyball. The conference and its members have established ambitious goals for these "target priority" programs and continue to pursue national prominence in each.

1997 NCAA Women's Soccer

Division I Championship

The home of Wright State soccer since 1985, WSU Soccer Field is one of the top facilities in the region.

The facility, which is located on the north edge of the Wright State campus, is just a short walk from the main campus, with a visibility that attracts many passer-by fans.

It features a regulation-size field with a natural grass surface, covered dugouts, a concession stand, a scoreboard, a public address system and a press box. Fan accommodations include bleacher seating for 500 on the east side of the field, as well as open grass areas on either side of the stands.

Plans are being made for future

improvements which will include lights, a permanent concessions/restroom facility, a new public address system, a larger press box and a more elaborate gate entry.

In 12 seasons on WSU Soccer Field, the Wright State women's soccer program

has garnered a 55-39-7 (.579) mark, including seven winning records.

In 1988, the Raiders posted their best record on the field at 7-1, and the 1991 and 1992 sea-

sons also saw them win seven on WSU Soccer Field. The longest home win streak was seven games to start the 1988 season.

THROUGH THE YEARS ON WSU SOCCER FIELD

WSU SOCCER FIELD

Where Innovation Meets Tradition

From the Wright brothers' first flight experiments to the invention of the first self-starting automobile ignition system by Charles F. Kettering, from the cash register to the automated teller machine, Dayton has a strong tradition of encouraging innovation, excellence and service to humanity. Over 900,000 residents and Wright-Patterson Air Force Base call Dayton's metropolitan area home.

Dayton is a place that takes as much pride in historical preservation and parks as it does in high technology. Located in southwestern Ohio's Miami Valley at the confluence of the Great Miami, Stillwater and Mad Rivers, Dayton is a picturesque combination of rolling hills, flowing waterways and open spaces. Dayton boasts more green area than any U.S. city its size. Over 35,000 acres of parks, nature preserves and other greenery beckon you to enjoy your favorite outdoor activities, and a popular river corridor along the Great Miami River offers 26 miles of walking, jogging and cycling.

In the Heart of the Midwest

Dayton welcomes its visitors with big-city amenities and small-town, Midwestern friendliness.

Dayton's central location among Columbus, Cincinnati and Indianapolis puts major collegiate and professional sports activities, cultural events and other recreational opportunities within easy driving distance. It's one of the nation's most accessible (and affordable) destinations. Chicago, Detroit and Cleveland are all within a day's drive, and Indianapolis and Louisville are even closer. Cincinnati is just 54 miles away.

Each year, over 2.5 million people visit Dayton for business and pleasure. Over 100 festivals and the United States Air and Trade Show, a four-day celebration of flight, delight visitors from all over the nation. The U.S. Air Force Museum at Wright-Patterson Air Force Base, the oldest and largest military aviation museum in the world, has become the nation's number one free visitor attraction.

Other notable places to see include the National African-American Museum and Cultural Center, the Museum of Natural History, the historic Wright Brothers Bicycle Shop and Carillon Historical Park—a museum designated a National Historic Landmark by the National Park Service.

Dayton is strong in the arts. The Dayton Ballet Company is the nation's second-oldest regional company, and the Dayton Contemporary Dance Company is now in its 28th year. The Dayton Philharmonic Orchestra has been performing for over 64 years, and the 78-year-old Dayton Art Institute houses an internationally acclaimed collection of paintings, sculpture and decorative art spanning many cultures and time periods.

About Wright State University

In the tradition of the nation's best universities, Wright State University is dedicated to teaching, research, and service. In addition, as a metropolitan university near Dayton, Ohio, Wright State has the distinct mission of providing leadership to improve the quality of life for the people of the Miami Valley. Wright State is an affordable, comprehensive, state university with a diverse range of high quality academic programs and strong links to Miami Valley schools and business, government, and community organizations.

The university serves nearly 16,000 students with programs leading to more than 100 undergraduate and 40 graduate and professional degrees through six colleges and three schools. Wright State offers innovative educational programs, including doctoral programs in biomedical sciences, human factors and industrial/organizational psychology, medicine, and professional psychology; the nation's only aerospace medicine residency program for civilians; and a post-master's educational specialist degree program. Wright State's theatre, accounting, chemistry, geology, and engineering programs are recognized for excellence. The WSU Lake Campus near St. Marys and Celina, Ohio, offers associate and pre-baccalaureate degrees.

444300/199707-911/AU97/400

Wright State University's faculty is dedicated not only to advancing the frontiers of knowledge but also to applying knowledge to real problems. Most classes are small and taught by fully affiliated faculty members, 80 percent of whom hold the most advanced degrees in their fields. In addition, students gain hands-on experience through a variety of community-based programs, cooperative education, internships, and research projects operated with industry and government.

Over 2,000 of Wright State's students live in university-affiliated residences on or adjacent to the 557-acre main campus. An extensive underground tunnel system links most campus buildings, whose modern architecture is nationally recognized for being completely accessible to people with disabilities. Although most students hold jobs on or off campus, many are involved in one or more of the 150 student clubs and organizations that give vibrancy to campus life.

The university offers 14 Division I intercollegiate athletic programs, and many students participate in intramural sports programs. The Ervin J. Nutter Center, a state-of-the-art sports and entertainment complex, and other recreational facilities are available to students on a daily basis. Besides intercollegiate athletic events, the Nutter Center hosts convocation, concerts, and other cultural and entertainment events, seating up to 12,000.

1997 Wright State University Women's Soccer Team
